

Borderline Personality Disorder Core Competency Training

GERALDTON

17th & 18th November 2022

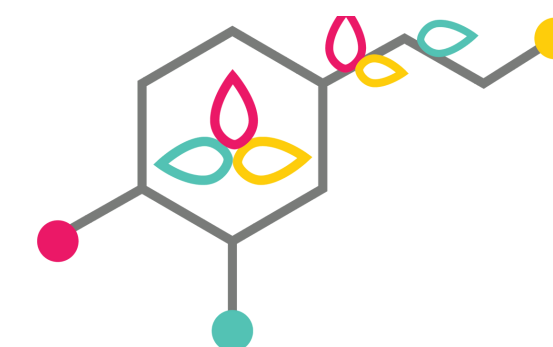

This workshop is for mental health workers, allied health workers, psychiatrists, psychologists, social workers, occupational therapists, nurses, school staff, NDIS workers, medical practitioners, and anyone with an interest in working with people with BPD and who are currently working in the public, private or community sectors.

Facilitated by Amy Seear (Psychologist), this 2-day workshop will be offered in Geraldton and aims to support the learning and development of clinicians and community workers to enable them to effectively work with people with BPD.

The BPD Core Competency Training will cover the following:

- Understanding BPD (including symptoms, prevalence, causes and evidence-based treatments)
- Co-existing disorders in BPD
- Treatment principles
- Treatment structure
- The therapeutic relationship
- Skills development focus
- Partnering with families, partners and carers
- Working with suicidal and non-suicidal self-injury behaviours
- Clinician self – awareness
- Focus on recovery.

Price: \$595 pp (incl. GST) Cost include the 2-day training, workbook and lunch/refreshments.
